**INTEGRITY**   Metal window grilles have been added post-1995 Historic Resources Survey prepared by Leslie Heumann & Associates.

**SIGNIFICANCE**   This one- and two-story multi-family residence was built in 1928 and is one of the few apartment buildings from the period in San Clemente. This property was determined eligible for listing in the National Register of Historic Places in 1998. It appears eligible at the local level under Criterion A for its association with the Ole Hanson/Spanish Village by the Sea period of development (1925-1936), and under Criterion C as a unique example of the Spanish Colonial Revival style as represented in San Clemente.

**STATUS CODE**   2D2

**STATUS**   Determined eligible for listing in the National Register as a contributor to a National Register eligible district through the Section 106 process. The property also appears eligible at the local level both individually and as a contributor to a potential historic district. It is recommended for retention on the Historic Structures List.
